

Invitation to the 5th COECSA Scientific Conference

Dear

On behalf of Uganda Ophthalmological Society and the 2017 COECSA Congress Organising Committee I, with great pleasure invite you to the 5th Annual COECSA Scientific Congress, which will be held on 16th- 18th August, 2017 at Speke Resort Munyonyo Hotel in Kampala at the shores of Lake Victoria.

Under the theme of "**Team Work in Eye Care**" this year's congress has lined up various interactive sessions designed for all key players in Eye Care including Ophthalmologists of various subspecialties, Optometrists, Ophthalmic Clinical Officers, Nurses and Non-clinical eye care managers. The congress will also offer an excellent opportunity for students to participate in research with their projects and also in some skills enhancing lab. We will also hold a graduation ceremony for the recently qualified COECSA fellows (2016) and the first AOC (Africa Ophthalmology Council) leadership training graduates.

A number of renowned international and high quality speakers from the region have been invited to cover various topics in the scientific programme.

The Social Programme has exciting activities, which are relevant to guests of all ages. Amongst these include the breath-taking view of Lake Victoria in a sunset cruise, the jaw-dropping Ugandan cultural dances and rib-breaking Classic Comedies

It is your grand opportunity to enjoy the beautiful scenes as you network and enrich your knowledge base to re-enforce the team in eye care.

Please come and join us at COECSA's ophthalmic event of the year!

We are excited to host you at Speke Resort Munyonyo Hotel, Kampala.

Dr Anne Ampaire Musika

2017 COECSA Congress Chair
